Dear Hiring Manager,

I'm excited to apply for a position with your business. I have a strong mechanical interest, dedication. I'm ready to contribute to your team while building hands-on expertise.

Why I'm a fit:

**Customer Service & Teamwork:** At AutoZone, I thrive under pressure; troubleshooting automotive issues, recommending parts, and ensuring customer satisfaction.

**Mechanical Career:** I am interested tools/procedures, maintenance, replacements and workshop safety.

**Work Ethic:** Committed to reliability; maintained organized workspaces to boost efficiency.

I'm eager to start role where I can assist customers, and grow my skills. I've attached my resume and would welcome the chance to add working value to your shop.

***Thank you for your time,  
Angel Chavez***

## EXPERIENCE

### **AutoZone**

Part-time | February 2024 – Ongoing

As an AutoZone employee, I mastered customer service by learning on the job, troubleshooting automotive issues, and providing solutions to ensure satisfaction in a fast-paced retail environment.

### **Kennel Bookstore Cashier**

Part-time | 2023 – 2023

Processed transactions, warmly welcomed customers, and restocked inventory (supplies, snacks, beverages).

Sole cashier on shift: Delivered prompt, accurate service while maintaining store organization.
